

Valentine Boxes for Ms. Foster's Class

We will be making our Valentine boxes at home.

- Valentine boxes must be able to fit on the student's desk.
- Shoeboxes and cereal boxes make good starting places for Valentine boxes.
- They can be as fancy or plain as the student chooses.
- The box must be free standing.
- Your goal is to use found materials and disguise your box as something else.
- Your box must have slot or place to put the valentines.
- Be creative!
- And they MUST have the student's name on the box.

Our Valentine boxes are all due on February 14, 2018.

Below is a list of students in our class. Please include everyone when making Valentines.

**Contact Ms. Foster if you need a
class list.**
